Sat, 26 May 2018 04:14:00 GMT - As it turns out, 1997 was actually quite a good year for Australian news. In 1996 the country was the subject of just nine news reports and in 1998 a mere six. Australians can't bear it that we pay so little attention to them, and I don't blame them. This is a country where interesting things happen, and all the time.
