Wed, 11 Jul 2018 00:34:00 GMT - Good governance is an indeterminate term used in the international development literature to describe how public institutions conduct public affairs and manage public resources. Governance is "the process of decision-making and the process by which decisions are implemented (or not implemented)". The term governance can apply to corporate, international, national, local governance or to the ...

Tue, 10 Jul 2018 07:17:00 GMT - Allergies 2 Home I regularly annoy a few people because I basically don't believe in allergies. Neither does most of human history, for allergies appear to be a rather modern disease, only showing up in force during the last few generations. One might argue that other, more serious diseases had overshadowed allergies in the past, and that diagnostic methods are now so improved that more ...
