Sat, 06 Oct 2018 13:17:00 GMT - The Second Australian Imperial Force (Second, or 2nd, AIF) was the name given to the volunteer personnel of the Australian Army in World War II. Under the Defence Act (1903), neither the part-time Militia nor the full-time Permanent Military Force (PMF) could serve outside Australia or its territories unless they volunteered to do so. The Second AIF fought against Nazi Germany, Italy, Vichy ...

Wed, 10 Oct 2018 03:47:00 GMT - The Astra Militarum, also known as the Imperial Guard in colloquial Low Gothic, is the largest coherent fighting force in the galaxy. They serve as the Imperium of Man's primary combat force and first line of defence from the myriad threats which threaten the existence of the human race in the late 41st Millennium. It is comprised of countless billions of men and women -- hundreds of thousands ...

Fri, 12 Oct 2018 12:27:00 GMT - The Imperial German Navy (German: Kaiserliche Marine, "Imperial Navy") was the navy created at the time of the formation of the German Empire. It existed between 1871 and 1919, growing out of the small Prussian Navy (from 1867 the North German Federal Navy), which primarily had the mission of coastal defence. Kaiser Wilhelm II greatly expanded the navy, and enlarged its mission.

- Word Bearers Heavy Support Squad with Missile Launchers. Lorgar was an unusual Primarch because he was less martial in nature than his brothers, and possessed an abiding faith that religion represented the pinnacle of human expression and a deeply-held belief that the Emperor of Mankind was actually a divine being made manifest in the mortal realm.
