Sun, 08 Jul 2018 07:55:00 GMT - "Crosseyed and Painless" is a song by American new wave band Talking Heads. It was released as a promotional single from their fourth studio album, Remain in Light (1980), in 1980. Although the single failed to reach on the US main chart, it reached to 20 on the US Dance chart. This was Talking Heads's highest charting dance single of all time.

Fri, 06 Jul 2018 15:50:00 GMT - Parting Should Be Painless is the fifth studio album by English singer Roger Daltrey. It was originally released in February 1984, on the labels Atlantic, in the United States, and on WEA in Germany, and Japan. The album was Daltrey's first solo album since the first breakup of The Who, and the first by any member of the band. "Walking in My Sleep", "Parting Would Be Painless", and "Would a ...
