Wed, 08 Aug 2018 02:17:00 GMT - The history of childhood has been a topic of interest in social history since the highly influential book Centuries of Childhood, published by French historian Philippe Ari s in 1960. He argued "childhood" as a concept was created by modern society. Ari s studied paintings, gravestones, furniture, and school records. He found before the 17th-century, children were represented as mini-adults.
