Tue, 09 Oct 2018 01:11:00 GMT - Motivation is the reason for people's actions, desires and needs. Motivation is also one's direction to behavior, or what causes a person to want to repeat a behavior. An individual's motivation may be inspired by others or events (extrinsic motivation) or it may come from within the individual (intrinsic motivation). Motivation has been considered as one of the most important reasons that ...

Sat, 06 Oct 2018 03:45:00 GMT - Success in second language learning is often related to the concept of "motivation". Motivation is the most used concept for explaining the failure or success of a language learner. Second language (L2) refers to a language an individual learns that is not his/her mother tongue, but is of use in the area of the individual. It is not the same as a foreign language, which is a language ...
