Wed, 10 Oct 2018 09:09:00 GMT - Binge-watching, also called binge-viewing or marathon-viewing, is the practice of watching television for a long time span, usually a single television show. In a survey conducted by Netflix in February 2014, 73% of people define binge-watching as "watching between 2-6 episodes or more of the same TV show in one sitting." Researchers have argued that binge-watching should be defined based on ...

Sun, 06 Mar 2016 23:57:00 GMT - Substance abuse, also known as drug abuse, is a patterned use of a substance (drug) in which the user consumes the substance in amounts or with methods which are harmful to themselves or others. The drugs used are often associated with levels of intoxication that alter judgment, perception, attention and physical control, not related with medical effects.

Substance-related disorder - Wikipedia -

- Excessive Alcohol Use and Risks to Women's Health. Although men are more likely to drink alcohol and drink in larger amounts, gender differences in body structure and chemistry cause women to absorb more alcohol, and take longer to break it down and remove it from their bodies (i.e., to metabolize it).
